Registration Form

Number attending (*double*/*triple*/*dorm*) _____ x \$120.00 = \$_____ (includes six meals)

There are four triple cottages and one that sleeps seven; all other beds are dorm style. All beds are twins or bunks (i.e., one person/bed). **Circle** your preference above.

To simplify administrative tasks at the retreat, we ask that you send the full amount due with your registration to reserve your space. This will make the weekend more peaceful for all of us. Thank you!

Since the Excelsior Center has limited space in double/triple cottages, please indicate if you have any preference for roommates in the space above. This makes it possible to extend the opportunity to attend to as many as possible.

The accommodations are quite comfortable. There are five modern cottages and a large dormitory building with a lounge for conversation and reading. All the cottages have electricity and heat but no plumbing. Dining/bathing facilities are in the refectory building about 200 feet away, more or less. Be sure to bring warm, comfy clothing, a flashlight, umbrella, and shoes for those invigorating strolls to eat, bathe, etc. If you need a toilet right next to your sleeping room, the dormitories have one; two portapotties are available for the cottages, or there are several motels within a 5–15 mile radius. Just ask us for information and we can help you to reserve a room.

Please let us know as soon as possible if you need a bed or bunk on the floor level (not an upper bunk or cottage loft). We have a total of 40 beds; 16 of these are on the floor level.

Please make check out to: **Excelsior Center**
